

Dear Members:

We are pleased to announce a new step in the reopening of our club's facilities.

Starting on Monday, September 21<sup>st</sup>, 2020, the club will open the areas of racquetball, basketball, and volleyball with the following regulations:

- Membership ID will be required
- Racquetball will allow (1) one person per court
- Volleyball and basketball will allow (3) three players per half court from the same household. Must present government ID demonstrating current and active homestead on same residence.
- Mask covering of mouth and nose is mandatory and required at all locations of our club's facilities

As we continue the expansion of expanding the services, the City, County and CDC regulations must be followed in all areas of our club and will be enforced for the health and wellbeing of all members and staff.

We thank everyone for their understanding and cooperation. Please continue to follow the mandates and recommendations from our medical professionals and government officials.

Thank You.

DPCC Management
