

Dear Members:

Our club's swimming pool will be closed from Wednesday, February 16th through Friday February 19th to allow for some necessary service maintenance. The pool will reopen on Saturday, February 20th at its normal hours of operations.

We regret any inconvenience this may cause you and your family.

We thank you for your cooperation and understanding. Our staff and management continue to care for our club and serve our members.

Sincerely,

DPCC Management
