

Dear Members,

As we navigate through this unprecedented crisis, please be aware that the Doral Park Country Club remains closed. The only exception is the 19<sup>th</sup> Hole Restaurant offering Grab and Go service for lunch and dinner. We ask that you please help support your club and its employees by taking advantage of this meal service and ordering from the daily menu. The menu is currently distributed via email through Constant Contact and posted throughout our communities. You may reach your 19<sup>th</sup> Hole Restaurant at (786) 747-4439.

Your Board of Directors and the Executive Committee continues to take all necessary actions to secure the financial stability of the association and minimize the impact to the homeowners. We have challenging times ahead forcing us to adapt to a “New Normal”.

Unfortunately, there is no timetable for resuming normal operation. As of today, we remain cautious in our projections and models. We estimate that our club will remain closed throughout the month of April. If there is any change to this schedule, we will notify you immediately. The maintenance of the club continues in order to provide a quick re-opening once the crisis is surpassed.

Due to this situation all Board of Directors and Executive Committee meetings will remain as scheduled but will be done via virtual teleconferencing until further notice. We will create vehicles for all homeowners and Doral Park residents to be informed of all-important decisions reached at those meetings. We are relying on all the Board Directors representing each community to provide current status to its residents. Your HOA can provide the name/contact for you club’s representative.

We ask for all of you to please stay safe, follow the orders of our medical professionals and government officials and be confident that the Executive Committee and Board of Directors will continue to make every effort to return the club to its regular operations, stronger and better than before.

Sincerely,

Juan D Rincon  
President  
Executive Committee
